

How We Meet

The Inner Coach Project

Before we start, we set the tone. That's on all of us. Every person here made a choice to be here. Honor that. We don't perform for each other. We don't compete with each other. We show up honest, or we don't show up at all.

Leave the outside noise outside. Be in this hour. Your Inner Coach is in the room too, so pay attention to how you're thinking while we're here. That's part of the training. Be Present. Be a Great Listener. Be Coachable. Be Prepared to Share.

You are not your thoughts.

You are not your critic.

You are the leader of you.
