

THE INNER COACH PROJECT™

Coaching & Leadership Perspective Assessment

Understanding How You View Coaching, Leadership, Accountability & Self-Leadership

Awareness → Ownership → Identity → Leadership

◆ PURPOSE OF THIS ASSESSMENT

This assessment is designed to help us better understand how you currently view:

- ▶ Coaching
- ▶ Leadership
- ▶ Accountability
- ▶ Feedback
- ▶ Pressure
- ▶ Communication
- ▶ Self-leadership
- ▶ Personal growth

This is not a personality test. There are no right or wrong answers.

The goal is to understand your current perspective, experiences, and responses when it comes to being coached, leading others, handling pressure, receiving feedback, and responding to adversity.

Because the Inner Coach Project focuses heavily on self-coaching and self-leadership, it is important for us to understand how you currently think about leadership and coaching before we begin building new tools and perspectives together.

Please answer honestly.

The more honest your answers are, the more valuable this process becomes.

FINAL REFLECTION

The Inner Coach Project is built around the belief that the voice leading you internally eventually shapes how you lead, compete, communicate, respond, and perform externally.

Before this training begins, reflect honestly:

18. Who or what currently holds the whistle in your life when pressure rises?

- ☐ Confidence
- ☐ Fear
- ☐ Discipline
- ☐ Emotion
- ☐ Doubt
- ☐ Preparation
- ☐ Frustration
- ☐ Leadership
- ☐ Insecurity
- ☐ Purpose

Explain:

Awareness → Ownership → Identity → Leadership

CURRENT COMMITMENT LEVEL

19. Which one best describes your WORK ETHIC?

☐ **The Rebel** (*Defiant*)

Pushes back against direction or change — challenges authority and prefers control on their own terms.

☐ **The Doubter** (*Hesitant*)

Holds back from taking action — uncertain, cautious, and needs reassurance to move forward.

☐ **The Stabilizer** (*Survivor*)

Plays it safe and sticks to what works — reliable and steady, but avoids risk or big change.

☐ **The Closer** (*Dedicated*)

Consistently follows through — disciplined, dependable, and focused on achieving goals.

☐ **The ONE** (*Driven*)

Fueled by inner purpose — bold, proactive, and drives change while pushing beyond expectations.

Explain:

Awareness → Ownership → Identity → Leadership

CURRENT LEVEL OF OWNERSHIP

20. Which one best explains how you take OWNERSHIP?

- **The Blind Spot** (*Denial*)
Avoids acknowledging the problem or personal role in it. Growth is blocked because responsibility is never accepted.
- **The Escape Artist** (*Making Excuses*)
Justifies mistakes or inaction by blaming outside factors. Protects comfort but prevents learning.
- **The Finger Pointer** (*Blaming Others*)
Shifts responsibility to others instead of taking ownership. Protects pride short-term, weakens trust long-term.
- **The Smooth Talker** (*Deflecting / Rationalizing*)
Admits part of the truth but downplays responsibility or justifies poor choices. Looks accountable without real change.
- **The Accountant** (*Taking Ownership*)
Accepts full responsibility for actions, decisions, and outcomes. Recognizes effort, attitude, and mindset shape results.
- **The Standard** (*Leading with Accountability*)
Models ownership in every area and inspires others. Turns responsibility into leadership and lasting influence.
